Shri. Shashi Shekhar Vempati,
Chief Executive officer,
Prasar Bharati, New Delhi.

Sub: Insurance coverage to Prasar Bharati Employees working during lockdown due to COVID 19.

Respected Sir,

With due regards as we know, Prasar Bharati as public Broadcaster comes under essential services. All Prasar Bharati Engineering employees working day and Night in this lockdown Period across India to ensure smooth transmission and newsgathering.

But sir, It is very unfortunate that even after 23 years of Prasar Bharati formation there is no provision of group Insurance for Prasar Bharati Employees who are recruited after 05/10 /2007. In this regard, it is very discriminatory that In Prasar Bharati one type of employee who are on the same designation and performing the same duties is getting higher scale, getting the facility of group insurance, CGHS facility, and we Prasar Bharati employees are deprived of such basic facilities.

In this lockdown period, maximum duties performed by Prasar Bharati Engineering employees who are recruited after 05/10/2007 but these employees are not insured.

The announcement of Smt.Nirmala Sitharaman, Hon'ble Minister of Finance on 26/03/2020 Providing Rs. 50 Lakh medical cover insurance for the healthcare worker, sanitation workers, paramedics, Doctor and nurses who are exposing themselves to the virus is timely and will boost the morale of this personnel.

Our members are putting their lives at risk but continuously maintaining the smooth and essential service of public broadcasting.

So we humbly request you to kindly provide Insurance of 50 lakh to all Prasar Bharati Employees as most of them are young and sole breadwinner of their family. Family details and other intricacies can be sorted out using various E facilities like HRIS and E office.

With Warm Regards
