Dated: 5th June, 2024

Subject: -Clarification on medical policy-regarding.

The undersigned is directed to refer the following queries raised by DDG(Admn.), DG:Doordarshan regarding the Medical Policy dated 16.5.2018, applicable to PB Employees, and provide the clarifications given against them:

Sl. No.	Queries raised	Clarification thereof
4(i)	If an PB employee incur an expenditure of more than set limit of Rs 30,000/- towards the OPD treatment per annum, can he claim the excess amount in next FY ?	Prasar Bharati order dated 16.05.2018 regarding the maximum limit of reimbursement per annum for OPD treatment applicable to PB employees is silent about whether an amount in excess of the prescribed limit can be claimed in the next FY. Hence, this may be allowed.
4(ii)	If an employee submits claim of certain amount in a particular FY but this expenditure was incurred towards the OPD treatment in the previous FY, can those bills be adjusted against limit of OPD treatment of the previous FY ?	Ref Prasar Bharati order dated 16.05.2018, there is no mention of specific timeline to be adhered to, for submitting the bills for reimbursement of OPD expenses. Hence, this may be allowed.
4(iii)	Will both 4(i) and 4(ii) will prevail simultaneously?	Yes. However, in both the cases, it may be ensured that the reimbursement made for any FY does not exceed the maximum reimbursement limit prescribed in Prasar Bharati Order dated 16.05.2018.
